

INET Compatibility View Settings

For users with IE11 problems please do the following steps below prior to logging in to INET.

1. Go to INET <https://inet.chia.state.ma.us/inetn/Login.aspx>
2. Change the *Compatibility View Settings* by pressing **Alt+T**
3. The **Tools** menu will show. Please click on the “**Compatibility View Settings**”

4. Add the “**state.ma.us**” website by clicking the “**Add**” button and then click the “**Close**” button
5. Now you are ready to login to INET
