March 18, 2010

Effective date for the quarter beginning April 1, 2010, the Division will require acute hospitals to report an assigned organization identification number for a transferring Massachusetts skilled nursing facility or rest home. Hospitals must report the organization identification number ("OrgID") in the existing "Transfer OrgID" field for each patient included in the Inpatient, Outpatient ED, or Outpatient Observation databases when the primary or secondary Admission Source is "transfer from a skilled nursing facility" and is within Massachusetts. A complete list of the HCF Org IDs for Massachusetts skilled nursing facilities and rest homes will be posted on the Division's website. If a patient is transferred from an out of state facility, hospitals must report "9999999" in the Transfer OrgID field.
