

Total Medical Expenses and Relative Prices
Technical Call Summary
April 19 - 21, 2011

TME Filing

- For those payers having trouble with files passing submission due to formatting issues, please contact the tmerp@state.ma.us account so that we may assist you in submitting your file.

Return of Data Verification Form

- The data verification statement is due to the Division within five business days of receiving your return report.

Hospital Reporting for Relative Prices

- There is no aggregate reporting for hospitals. The 3% threshold only applies to physician group and other provider reporting.
 - **Note:** This is a correction from the RP Workshop on April 7, 2011

Relative Price Data Specification Manual and File Layout Example

- Please visit the [Division's website](#) to access the update Relative Price Data Specification Manual and File Layout Example. Note the change in reporting non-claims payments.

Kindred Hospitals

- Please note that on the latest Relative Price Uniform Provider list the Kindred hospitals have been reclassified from acute hospitals to rehabilitation hospitals.
