

Total Medical Expenses and Relative Prices
Technical Call Summary
April 25 - 28, 2011

Service Look-Up Record Type

- An example of how to report service look-up identifiers was emailed on Tuesday from the tmerp@state.ma.us account. If you did not receive it and would like a copy, then please email the request to the tmerp@state.ma.us account.
- An updated Relative Price File Layout Example will be posted containing the service look-up example and more accurately depicting how data should be organized.

Certification Statements

- The Certification Statement is located on the last page of the report you receive in INET. Please certify the statement appended to the file version you wish the Division to consider final.
- Please complete within five business days of receiving the most recent report in INET.
 - **Note:** Due to an INET issue, the TME reports have been re-run on Friday, April 29, 2011. Payers should receive an updated report with the correct TME zip code calculations by the end of Friday.
