MA APCD Intake

- All APCD files through March 2025 are due by April 30th. This includes any re-submissions. Since this is the end of a quarter, files will be used for Q1 2025 DOI Membership and Utilization reporting as well as CHIA's Enrollment Trends.
- Please work with your liaison in submitting any overdue files.
- Please be mindful when selecting the Submission Month and Year in FileSecure. If the wrong month and/or year is selected, it will deactivate previously submitted, valid files.
- CHIA continues to revisit claims versioning methods with select payers. We'll reach out when we have examples to share as we analyze the logic for each company.
- Please alert CHIA if you plan to change PBMs as that could impact pharmacy claims versioning methods.

MA APCD 2026 Submission Guide Updates

- Updated Draft versions of the 2026 MA APCD submission guides are available at: <https://www.chiamass.gov/apcd-data-submission-guides>
- New filing type: Member Simplified (MS) file:
 - Includes some existing Member Eligibility data elements.
 - Additional data elements added (Race, Ethnicity, Language, Sexual Orientation, Gender Identity, Disability Status, Address, Sex Assigned at Birth).
 - CHIA is requesting available data that plans currently collect and can report for these additional fields. If data is unavailable, plans can submit as “Unknown”.
 - Clarity added to table values of ‘OTH’, ‘DONTKNOW’, ‘ASKU’, ‘UNK’.
 - Will require a new version of CHIA’s FileSecure application.

MA APCD 2026 Submission Guide Updates

- Some Member Eligibility (ME) fields are changing to 'Filler' fields as a result of the new file type.
- ME & MS files will need to link using the Carrier Specific Unique Member ID (CSUMID).
- The goal of moving to this new file is to shorten the time it takes for most submitters to encrypt the file using FileSecure since this is a monthly snapshot of 1 record per member rather than 24 rolling months.
- We will notify you when the Administrative Bulletin is adopted this month, making the changes official.
- Test files will need to be submitted in the Fall of 2025.
- Production files will be due in February 2026 for January 2026 data.
