MA APCD 2026 Updates

- All APCD files including any re-submissions or overdue files must now be in 2026 format (applies to reporting periods January 2023 onward).
- If historical Member Eligibility (ME) production files (Submission Year prior to 2026) need to be resubmitted, they must be accompanied by a corresponding Member Simplified (MS) file for the same submission period(s). For example, if resubmitting the January 2024 Member Eligibility file, you must also submit a January 2024 Member Simplified file in the 2026 format.
- ME & MS files need to link using the Carrier Specific Unique Member ID (CSUMID).

MA APCD 2026 Updates

- FINAL versions of the 2026 MA APCD submission guides are available at: <https://www.chiamass.gov/apcd-data-submission-guides>
- CHIA's FileSecure application (v7.3.4) is available for download through CHIA Submissions. You must install this version before sending 2026 production files.
- CHIA is now accepting production data for all APCD file types (including Member Simplified) and edit error reports are being sent as submissions process.
- Variance workbooks for Member Simplified were sent by your liaison last month.

MA APCD 2026 Updates

- Production files through March 2026 are due by the end of April.
- This data will be used for CHIA's Enrollment Trends reporting as well as the DOI Q1 2026 HMO Membership reports and the next Claims Utilization report (with data through March 2026).
- Be sure to use FileSecure v7.3.4 when sending production data.
- Report any issues or delays to your liaison as soon as possible.
