ACCOUNTANT'S COMPILATION REPORT

To the Partners
Ellis Avenue Realty Associates, LLP

Management is responsible for the accompanying financial statements of Ellis Avenue Realty Associates, LLP (a partnership), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of operations and changes in partners' capital and statements of cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Partnership's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.
