(6) Financial Statement Documentation

Upload Type: PDF

Providers must upload financial statement documentation, such as audited, unaudited, reviewed, or compiled financial statements. Uploading these statements is

not intended to be an additional requirement for the sole purposes of complying with CHIA's reporting requirements in Section 7.03 (d) of Title 957 of the Code of

Massachusetts Regulations (CMR):

If a Provider or its parent organization is required or elects to obtain independent audited financial statements for purposes other than 957 CMR 7.00, the Provider

must file a complete copy of its audited financial statements with the Center, that most closely correspond to the Provider's Nursing Facility cost report fiscal period. If

the Provider or its parent organization does not obtain audited financial statements but is required or elects to obtain reviewed or compiled financial statements for

purposes other than 957 CMR 7.00, the Provider must file with the Center a complete copy of its financial statements that most closely correspond to the Nursing

Facility cost report fiscal period.

Please select one option from the menu, and upload applicable statements for choices A or B. They are listed in descending order of preference:

☐ A) Financial Statement: Audited, reviewed, or compiled financial statements prepared by a Certified Public Accountant (CPA).

☐ B) Unaudited Financial Statement: Unaudited financial statements for the reporting year.

☒ C) Financial Statements Unavailable: The Entity level organization did not complete audited, reviewed, or compiled financial statements for purposes other than 957 CMR 7.00.

Note: If A or B are selected Providers need to submit a financial statement. If C is selected an upload is not required.
