

**DATE:** Thursday, April 9, 2020  
**TO:** Data Submitters to CHIA  
**RE:** Delay of Certain Data Submission Deadlines

In recognition of the challenges being faced by the Massachusetts health care delivery system as payers and providers respond to the COVID-19 outbreak, CHIA is postponing submission deadlines for the filings listed below. CHIA will be posting the specifications for these filings in accordance with the dates in this table, however, to enable data submitters additional time to prepare for submission.

In addition, in January 2020, CHIA proposed a supplemental data collection to capture expenditures related to primary care and behavioral health services. CHIA is continuing to review public feedback received, and plans to post responses to comments and final specifications according to the timeline below. The deadline for this data collection is also postponed.
