

# FIXED TERM TRAVEL EMPLOYEE DISCLOSURE AND CERTIFICATION FORM INSTRUCTIONS

## ***Introduction:***

If you are a Temporary Nursing Services (TNS) agency *and* employed one or more fixed term travel employees during calendar year 2019 you must submit the following two documents to the Massachusetts Center for Health Information and Analysis (CHIA) on or before **December 15, 2020**:

1) ***Fixed Term Travel Employee Disclosure Form (FTTED)***

This disclosure involves completing an Excel spreadsheet available on the CHIA's website at <http://chiamass.gov/fixed-term-travel-nursing-employee-disclosure-report/>. Alternatively, you may submit a comma delimited (CSV) file independent of the spreadsheet; however, all data fields must contain identical type information to the spreadsheet, including column headings and field lengths.

2) ***Fixed Term Travel Employee Disclosure Certification Form***

This form attests that all information provided in the *FTTED* is true, accurate, and prepared in accordance with applicable instructions and requires an agency representative signature. A signed copy can be sent to [chia.data@state.ma.us](mailto:chia.data@state.ma.us)

## ***Due Date:***

This information is due to CHIA on or before **December 15, 2020**:

## ***Required Data:***

Explanation of specific data to be submitted to the CHIA is below. Please note that for your convenience, drop down selection lists have been added in the Excel spreadsheet and are found in several of the data fields. **Please remember to save your entered information frequently.**

- ***TNS Name*** (Text Field, up to 100 characters)  
Please select your *Temporary Nursing Services Name* from the drop down list of choices for each row of data. If your agency is not on the list, please contact CHIA's Pricing Cost Report Helpdesk at (617) 701-8156.
- ***CHIA Organization ID*** (Number Field, up to five characters)  
This field will fill-in automatically once you have selected a Temporary Nursing Services Name. If you are submitting a CSV file independent of the

spreadsheet, a list of organizational identification numbers is available at the end of this document for your reference.

- *Travel Employee's First Name* (Text Field, up to 50 characters)  
The first name of the travel employee employed by your agency.
- *Travel Employee's Last Name* (Text Field, up to 50 characters)  
The last name of the travel employee employed by your agency.
- *Travel Employee's Mass. DPH License number* (Text Field, up to 10 characters)  
The license number of the travel employee employed by your agency as issued by the Massachusetts Department of Public Health (DPH).
- *Travel Employee's Primary Residence* (Text Field, two characters)  
The two letter abbreviation of the state where the travel Employee employed by your agency resides.
- *Organization or Facility where Travel Employee Provided Services* (i.e. hospital or nursing home) (Text Field, up to 100 characters)  
Please select a name from the drop down list of choices. If the facility is not on the list, please contact CHIA's Pricing Cost Report Helpdesk at (617) 701-8156.
- *Total Hours Worked (2019)* (Number Field, up to five digits)  
Please use whole numbers to indicate the total hours worked by the travel employee employed by your agency at each facility for the current reporting year of 2019.
- *Reporting Year* (Text Field, four digit year)  
Reporting year of the FTTED. The current reporting year is 2019.
- *Length of Contract (in Days)* (Number Field, up to five digits)  
Please provide the length of the temporary nursing services contract in days.

***Instructions for Data Submission:***

- **Finding and completing your *FTTED* Excel file**
  1. *Finding the Excel file:* To electronically file your data please go to <http://www.chiamass.gov/fixed-term-travel-nursing-employee-disclosure-report/> and click on the link *Fixed Term Travel Employee Disclosure Database*. This will download the file <NSR\_orname\_2019\_travel.xlsx> to your computer.

2. *Saving the Excel file:* Now, open the file in Microsoft Excel. Then select File<Save as>. Note that when you are prompted to save the file, please change the “orgname” part of the file to reflect the name of *your* organization. For example, if you are filling out the file for ABC temporary nursing services agency, please save the file as <NSR\_ **ABC** \_2019\_travel.xls>.
3. *Completing the Excel file:* You must add a row of data for each facility (nursing home or hospital) a travel employee has provided services on behalf of your agency. If a traveling employee has been deployed by your agency to two different hospitals and three different nursing homes, you must add five rows of data; one for each facility where he/she has worked. **Please remember to save your entered information frequently.**

- **Creating and submitting your *FTTED* comma delimited (CSV) file**

1. *How to create the comma delimited (CSV) file:* After all necessary data is entered; you must save the spreadsheet as a CSV file <NSR\_ **ABC** \_2019\_travel.csv>. Select File<Save As> from the Excel spreadsheet menu.
  - Click in the “save as type” box and choose CSV (Comma delimited) \*.csv.
  - Name the CSV file the same as your Excel file. You should notice a change in the file extension, which will now be .csv rather than.xls.
2. *How to submit your CSV file:* Please email a copy of your *FTTED* CSV file to CHIA and retain a copy of the completed file for your records. See below (“How to File”) for email address and additional instructions.
3. *Submission Requirements:* If you are submitting your *FTTED* independent of the provided CHIA Excel spreadsheet, make certain all data fields contain identical type information to the spreadsheet. All data submissions must be in CSV format.

- **Filing your *FTTED* and Certification Forms to CHIA**

There are two steps for filing this report. Providers can send both requirements to [CHIA.Data@state.ma.us](mailto:CHIA.Data@state.ma.us) :

- 1) Please attach and email your completed ***Fixed Term Travel Employee Disclosure***. In the “Subject” line of the email, please type “Fixed Term Travel from...” and include the name of your facility. Also, in the body of the email, please include the sender’s name, facility, and telephone number.
  
- 2) Please e-mail your signed ***Fixed Term Travel Employee Disclosure Certification Form***

***Further Information:***

If you have questions regarding the submission of this information, please email [chia.data@state.ma.us](mailto:chia.data@state.ma.us) or contact CHIA’s Pricing Cost Report Helpdesk at (617) 701-8156.
