WHAT'S NEW

- In previous years, providers were required to submit either a partial or full cost report depending on the revenue amount received from MassHealth. This year, providers are only required to fill out the partial cost report, which will be referred to as the “Revenue Report” moving forward. Providers are no longer required to submit financial statements with the Revenue Report.

About the Ambulance and Wheelchair Van Revenue Report:

- Providers are required to submit completed Revenue Reports through CHIA's online submission portal, [CHIA Submissions](#).
 - **Please note, CHIA Submissions works best in Google Chrome.**
 - The same login credentials previously used in INET can be used for CHIA Submissions. If you need login credentials, please follow the instructions on page 6.
- Please read all Revenue Report Instructions and the CHIA Submissions User Guide thoroughly prior to beginning the Revenue Report.
- The Ambulance and Wheelchair Van Revenue Report is available as an Excel template. Complete Revenue Reports will be submitted via CHIA Submissions.
- Data must be keyed in. Please do not insert formulas or references to other spreadsheets as this may prevent the data from calculating accurately.
- If you have no amount to report for a line item, you may leave the cell blank except for Bad Debt Expense (Tab 2, Line 38), in which you must enter a “0” if you have no amount to report.
- The ‘Certification by Provider’ section, in the blue cells on Tab 3, must be filled in to save successfully.
- All submissions must be saved using the “Save Submission File” button on Tab 3, Accuracy of Report, which will only work if all errors are cleared on the tab. **Submissions that are not saved by using this button cannot be read by CHIA's system and will not successfully upload.**

REMINDERS

- All non-municipal ground ambulance and wheelchair van providers rendering services in Massachusetts in FY 2025 are required to submit the FY 2025 Ambulance and Wheelchair Van Revenue Report.
- Tab 2. Revenue: All Massachusetts ground ambulance revenue should be reported in this section, split out by advanced life support (ALS) emergency and non-emergency revenue and basic life support (BLS) emergency and non-emergency revenue. All revenue should be reported **net of bad debt, charity care, and payer discounts**.

WHO MUST FILE

PLEASE NOTE

The Ambulance and Wheelchair Van Revenue Report filing will NOT be considered complete until all relevant financial data requested by CHIA staff has been provided to the satisfaction of CHIA staff.

Providers that fail to file required data with CHIA will be subject to penalties in accordance EOHHS regulations, 101 CMR 327.00 and 101 CMR 324.00.

The Revenue Report contains the following sections, to be completed by the provider and certified by an authorized individual.

- Tab 3. Accuracy of Report

The schedules should be completed in the order listed above.

GENERAL REVENUE REPORT INSTRUCTIONS

Please be sure to check that your provider name is in the drop down list in Tab 1 PRIOR to initiating work on the Revenue Report.

If your provider name **does not** appear in the drop down list in Tab 1 of the Revenue Report or you are a new filer with CHIA, you **MUST** fill out, scan, and send a [User Agreement](#) form to DL-Data-Submitter-HelpDesk@chiamass.gov **BEFORE** you begin working on the Revenue Report and attempt to submit a completed Revenue Report.

After submitting the forms, you will receive notification and an updated Revenue Report template that will include your provider name in the drop down. Please wait to fill out the Revenue Report until you receive the updated template.

Agencies should use the accrual basis of accounting. All numbers must be whole numbers without decimals.

You may paste data into the Revenue Report template from existing worksheets. Please paste as **VALUES**. If you fail to paste as values, you will not be able to save and submit successfully. **Please check that pasted values are WHOLE numbers.**

SAVE ENTERED DATA OFTEN. You may save a draft of the template at any time by using the “Save As” or “Save” options under the File menu in Excel.

You may navigate the schedules of the Revenue Report by clicking the tabs at the bottom of the workbook.

The Revenue Report has four different kinds of cells, designated by four different colors. The table below explains what each color means. Providers are only responsible for entering data into the blue cells.
