

Rest Home Cost Report User Guide

The HCF-4 serves the dual purpose of being a report to the Center that accurately reflects the complete financial condition of the facility, and at the same time, a claim for reimbursement. To accomplish the latter, columns numbered 2 and 3, labeled "Self-Disallowed Expenses" and "Automatically Disallowed Expenses" on the Statement of Profit and Loss have been provided to report non-allowable expenses and additional costs allocated to the facility by the management and/or realty companies. Additionally, column 2, "Self-Disallowed Expenses", is to be used for reporting specific costs that are NOT "ordinary and necessary" from a generally-accepted accounting or IRS standpoint, and which are not directly related to the care of publicly-aided residents; thus not reimbursable under current regulations. It is expected that the preparers and signatories of this cost report have a strong understanding of the regulations that govern cost reporting and reimbursement (101 CMR 204.00).
